

GENERAL RESOURCES

[Pennsylvania Adult Education Resources](#) provides sample lesson plans and links to resources for each component described earlier.

[National Center for Families Learning](#) (NCFL) provides literacy strategies, programming, and resources.

[First Book Marketplace](#) provides discounted books for organizations that serve children in need of access to books.

[The Goodling Institute](#) offers resources for the professional development of family literacy educators. A broad range of resources is available on the searchable database.

WEBSITES FOR AE

[Fred Rogers Center](#) features videos, e-books, games, music, and other interactive tools to support early literacy.

[PNC Grow Up Great](#) features free, high-quality resources to engage young learners.

[ZERO TO THREE](#) provides extensive resources and tools focused on the development of infants and toddlers.

WEBSITES FOR PE AND ILA

[Be a Learning Hero](#) partners with trusted experts to provide the best resources to help children succeed in school.

The [Parent Toolkit App](#) is designed to help parents navigate their child's growth and development from Pre-K through 12th grade in the classroom and beyond.

[PBS Kids](#) has resources and multimedia activities for parents and children focusing on school readiness.

[Reading Rockets](#) creates and disseminates free, evidence-based information about reading through three major services: PBS television programs, online services, and professional development opportunities.

[Fred Rogers Center](#) features videos, e-books, games, music, and other interactive tools to support early literacy.

[PNC Grow Up Great](#) features free, high-quality resources to engage young learners.

[ZERO TO THREE](#) provides extensive resources and tools focused on the development of infants and toddlers.

WEBSITES FOR AE

[ReadWorks](#) provides content, teacher guidance, and integrated tools that improve teacher effectiveness and student achievement. With free accounts, teachers can select from fiction and nonfiction passages by grade level and topic.

[Newsela](#) allows teachers to select authentic text from over 100 sources. Materials are available at five different reading levels, and 10 new texts are published daily.
